Application Process

The deadlines for application to the integration fund are **October 15, 2024** or **March 15, 2025**, at which time the Integration Fund Committee will evaluate and select successful proposals.

The committee will make final selections based on the proposal's potential to foster meaningful academic and cultural exchanges. Particular attention will be paid to proposals that enhance the integration and understanding between SAIS Europe and other schools at JHU, under a "hub and spoke" model.

Proposals for funding should include the name of the SAIS Europe and JHU counterpart involved in the project, a detailed description of the activity proposed (courses to be taught or lectures given, potential joint research or events) and a budget outline. Proposals must be sent to sais.eu.integration@jhu.edu by the above-mentioned deadlines.

Please note – applications must go through an internal selection, before being formally submitted. Faculty and staff based at SAIS, including SAIS Europe, and other JHU campuses should first discuss their proposals with the relevant academic and administrative leaders to ensure alignment with our strategic goals.

This call for proposals represents an exceptional opportunity for JHU faculty to contribute to our global academic community's enrichment. We look forward to your innovative proposals and the continued strengthening of our university's integrated academic excellence.
